

Read Across America Week!

The first week in March is Read Across America Month. It is also Women's History Month. This month students will have opportunities to read about important women in history, as well as a number of selections that include topics in diversity, cultural perspectives, important people, books about family and books that are just plain fun and silly.

As part of the NEA RAA program, The Redmond Elementary Library would like to extend a special thank you to Lake Washington Education Association for donating **ten new titles** to our library collection! Thank you, LWEA!

Library Wish List!

We have added **149** books to the library collection! Each donated book receives a commemorative book plate to honor the donor.

If you would like to donate to the Redmond Elementary Library collection, you can view the wish list at <https://tinyurl.com/y6h3tbgz>

Scholastic Book Fair Report!

Thank you to all who helped raise money for the Redmond Elementary Library during our Scholastic Online Book Fair. We raised just over \$500 for new books!

Curbside Check Out

Grades K and 1 are being added to curbside check out in the first week of March! K-1 Families, please watch your email for specific information on how to help our youngest learners check out books.

For all students in grades K-5 the check-out program will continue through the end of the school year, regardless of whether your child will be attending school in-person or staying remote, and all reservations will continue to be online. Please encourage your child to keep their holds list updated.

Current deadlines, dates and information can be found on the library web page.

Family Library Night

Our Family Library Night on Thursday, January 21st was a success and a good time was had by all.

The theme for this event was "Diversity". If you missed the meeting in November or January, you can access a recording of these meetings from the

Redmond Elementary Library Website.
